Construction permit: NO Comments: The project has been named "Skovhusene". We have done some advertising for the project in the local papers and on Facebook. The aim is to get a breakthrough via public interest in the project, that hopefully will make the city council more interested and start moving the project in our direction. Until now, the city has shown reluctant interest in the change of local plan. Status financials: Construction loan: NO Comments: Financing of the zoning project via issued bonds. Other financing when zoning approval has been obtained. Project timeline: Actual Plan Deviation New plan Construction Infrastructure	Status
